最近...2012年的字数可以&#039；放不下，所以只写了前50名，还没出

年度榜单。But the top 10 are: we found love, someone I used to know, we are young and strong, maybe call me, payphone. I'm glad you came

Go get the lyrics of T.I.

.

Dally will not stop

Busy will not stop

Shining is incomparable, I am doing other things.

I have a high-brightness lifestyle, super bad bitch

If I want it, then I get

.

If I don't have it, then all I have to do is

, get it and stay in my bindes

.

Ball until I fall down and floss until I get it

If I don't have it, then all I have to do is

. Go, get it, don't leave my bondage to make a living and pile 1 million on the ceiling. I want to dance every day. All I want to do is dance.

Put my money on the bitch and my pimp on everyone.

Gotta. How to swagger, bitch, you stupid dumb sitting

and a group of young bitches and their stupid guys

I'm a marathon runner, and all I do is run shit

A complex, superficial, but still effective

Millions of knowledge shit

Money... Hot shit, bitch. I have a sauna on my arm

See the bigger one without diamonds...

They just said they understood,

I'm a senior

. Bitch, I'm worried. We're leaving. We can come. I've done more than you dreamed.

. Dreamhouse, leaning against a bad player to pass beans

, the whole team is high

Go, son, go. You know me, you know I'm making dough in

, and that's all I see. 被磨坏了不会停止

拥挤不会退出

Unparalleled light, I have a high-brightness lifestyle in some other shit, super bad bitch.

If I want it, then I get it

If I don't want it, then all I have to do is

.

Go ahead, pick it up, stay by my ball until I fall, and floss it out until I pick it up.

If I don't have it, then all I have to do is

, get it and stay in my bindes

Jump backwards when hitting the ball and label polowith that fat ass...

purple...that's what I did

.

Man I worked hard to roll up my denim.[XY002][XY001] This girl is back.[XY002] We kick it, how do we kick it, know you...how do I live, boy? You know me, you know I am.

Pile up the dough, that's all I see

I'm going to keep grinding

.

The noise won't stop

The shine is incomparable. I'm doing something else

.

I have a high-brightness lifestyle, super bad bitch

If I want it, then I get

.

If I don't have it, then all I have to do is

, get it and stay in my bindes

.

Ball until I fall down and floss until I get it

If I don't have it, then all I have to do is

.Goon, get it, don't leave my bondage. Life needs to pile 1 million on the ceiling.
