

无抵押、放款快，倾家荡产在等待！

近期，“贷款诈骗”又出“新招”

骗子假借“银行贷款”的名义发送短信

诱导受害者下载“贷款”APP

其中以“农行e贷”为代表的虚假APP

杀伤力惊人

因林先生近期正好需要资金周转，就点击链接下载“农行e贷”APP，注册后系统显示可以提现2万元。

The screenshot shows the '翼丰T1.0' app page on a mobile device. At the top, there's a search bar with a magnifying glass icon, a red oval containing a white exclamation mark, and the text '翼丰T1.0'. To the right is a circular 'C' icon. Below the search bar is a large blue button with a green circular logo containing a stylized 'H' or 'E' shape, labeled '农行e贷' (Agricultural Bank e-loan). To the right of the logo is a green shield icon with the text '安全认证' (Security Authentication). Below the logo is a blue button with the text '下载安装' (Download and Install). To the left of the logo, it says '4.9 ★★★★★' and '19k 个评分' (19k reviews). To the right, it says '42万+' (over 420,000) with a red oval around it, '安装' (Install), '4+' (Age rating), and '年龄' (Age). Below this section is a heading '评分及评论' (Reviews and Ratings). It features a large '5.0' rating with '满分 5 分' (Full score 5 points) below it. To the right is a row of five horizontal lines representing reviews, with '19k 个评分' (19k reviews) next to it. A large, stylized, semi-transparent watermark reading '虚假APP' (Fake APP) is overlaid across the middle of the screen. Below the watermark, two user reviews are shown: '小镇姑*' followed by '这个软件真不错，我用了2年了，强烈推荐' (This software is really good, I have used it for 2 years, highly recommended) and '陈静*' followed by '用起来真不多，各方面都好用' (It's very easy to use, all aspects are good). A small note at the bottom right says '头条 @山东网警巡查执法' (Headline @Shandong Network Police Patrol and Law Enforcement).
